CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

All statements, other than statements of historical fact, contained, referenced or incorporated by reference in this

news release constitute “forward-looking statements” and “forward looking information” (collectively, “**forward-looking statements**”) within the meaning of applicable Canadian and United States securities legislation. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as: “actively”, “advance”, “anticipated”, “assess”, “believe”, “cause”, “commence”, “completion”, “conditions”, “consideration”, “continues”, “development”, “due course”, “expectation”, “exploration”, “extend”, “extension”, “flexibility”, “focused”, “forward”, “further”, “future”, “if”, “implement”, “liquidity”, “looking”, “maturity”, “may”, “negotiations”, “occur”, “opportunities”, “options”, “outcome”, “outstanding”, “potential”, “providing”, “reach”, “restructuring”, “risk”, “subject to”, “to be”, “update”, “vision”, “waive”, “when”, “will”, and “would”, or variations of such words, and similar such words, expressions or statements that certain actions, events or results can, could, may, should, to, will, would (or not) be achieved, occur, provide, result, complete or support in the future or which, by their nature, refer to future events. In some cases, forward-looking information may be stated in the present tense, such as in respect of current matters that may be continuing, or that may have a future impact or effect. Forward-looking statements include statements regarding the timing and ability of the Company to receive necessary approvals; exploration and drilling programs, including the timing, completion and results thereof; potential mineralization; and the Company’s objectives, goals and future plans and strategies. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct, and any forward-looking statements by the Company are not guarantees of future actions, results or performance. Forward-looking statements are based on assumptions, estimates, expectations and opinions, which are considered reasonable and represent best judgment based on available facts, as of the date such statements are made. If such assumptions, estimates, expectations and opinions prove to be incorrect, actual and future results may be materially different than expressed or implied in the forward-looking statements. Forward-looking statements are inherently subject to known and unknown risks, uncertainties, contingencies and other factors which may cause the actual results or performance of the Company to be materially different from any future results or performance expressed or implied by the forward-looking statements. Such risks, uncertainties, contingencies and other factors include, among others, the “Risk Factors” in the Company’s annual information form dated April 1, 2024 (the “**2024 AIF**”), and the risks, uncertainties, contingencies and other factors identified in the Company’s Management’s Discussion and Analysis, and accompanying financial statements, for the year ended December 31, 2023, and the Company’s other applicable public disclosure (collectively, “**Company Disclosure**”). The foregoing list of risks, uncertainties, contingencies and other factors is not exhaustive; readers should consult the more complete discussion of the Company’s business, financial condition and prospects that is provided in the 2024 AIF and the other Company Disclosure. The forward-looking statements referenced or contained in this news release are expressly qualified by these Cautionary Statements as well as the Cautionary Statements in the other Company Disclosure. Forward-looking statements contained herein are made as of the date of this news release (or as otherwise expressly specified) and the Company disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by applicable laws.
